DESCRIPTION

Boasting a spectacular location right above the beautiful sandy beach of *Ftelia* in Mykonos, this stunning seven-bedroom vacation residence is the material summer dreams are made of! Perched on a hill, with multiple terraces overlooking the sea and the cove, the villa has direct access to the beach. *Ftelia* is a relatively quiet beach and famous among wind-surfers in Mykonos.

While you will definitely find yourself catching the waves or having fun at the beach, the amazing salt-water infinity pool of the villa, complete with sun beds and seating areas, is a real temptation! Enjoy a refreshing dip, as the pool seems to melt into the blue of the sea, relax at the lounge area under the shade of the pergola, and share dinner with friends at the beautiful outdoor dining area.

Cycladic purity characterizes the interiors of villa Fontana which are airy and light, with arches and apses all in brilliant white. Rustic and cast-iron elements come together with comfortable couches and romantic beds to enhance the relaxing aura of this beautiful residence.
