Villa Joyner

Villa Joyner is set right in front of a sandy beach on a magnificent stretch of coastline just south of Taranto and in the evenings, you can sit back and watch the sun setting over the sea from the comfort of your own terrace. It is the stunning result of a young Italian architect's dream of contemporary design with enormous plate glass windows, light-coloured flooring and breathtaking views over the sea. The sense of light and space completely envelops you and makes it very easy to relax and let yourself go.
