Bright, airy, and thoughtfully designed, the villa offers the perfect setting for families and groups seeking a relaxing coastal escape. Its prime location places guests within easy reach of popular beachfront restaurants, including Two Passos and The Bold Octopus.

Set behind private gates, the property offers secure parking for several vehicles and plenty of indoor and outdoor space for socialising, entertaining, and unwinding in comfort.

Interiors

Upon entering the villa, guests are welcomed by a spacious entrance hall that leads into a beautifully furnished living room. Multiple sofas, a television, and a casual breakfast table create a comfortable and inviting atmosphere. Large doors open directly onto the garden, allowing natural light to flood the space throughout the day.

The fully equipped kitchen features a central island and breakfast bar, making it ideal for both everyday dining and entertaining. Adjacent to the kitchen, the dining room comfortably seats eight guests and provides direct access to the outdoor terrace and pool area.

The villa offers four well-appointed bedrooms spread across two levels. On the ground floor, there is a twin bedroom currently arranged as a home office, alongside a double bedroom with direct access to the garden. These bedrooms share a modern family bathroom, recently renovated with sleek contemporary finishes.

The first floor hosts the remaining two bedrooms. One spacious guest room features two double beds and can comfortably accommodate up to four guests. This room benefits from its own en-suite bathroom. The impressive master suite includes a king-size bed, a stylish en-suite bathroom with a corner jacuzzi bath and separate shower, and access to a private terrace overlooking the swimming pool.

The lower level of the villa adds even more space for relaxation and entertainment. Here, guests will find a large gym, a cinema and games room with comfortable seating and a large television, as well as a laundry room and an additional bathroom with a shower.
