DESCRIPTION

The residence was designed with clean cement walls and contrasting rustic decor. Every room, including the spacious open-plan living area and the five suites, offers a similar combination of minimalistic sobriety and designer furniture, sometimes with Dali-esque flair. The large indoor spaces invite togetherness, making the residence ideal for family holidays. Outdoors, the swimming pool and lounge area are cuddled by the native vegetation that divides the house from Playacar's 18-hole golf course.

The bedrooms are as tasteful as the rest of the house and offer ample space for rest. Two second-floor rooms share a balcony overlooking the garden, while the downstairs suite has privileged access to the pool and deck. Similarly, they all enjoy spacious bathrooms with top-drawer amenities.

Villa Kaa Nah is situated in tranquil Playacar, a family-friendly neighborhood just minutes away from Playa's famous Quinta Avenida and a beautiful white-sand beach, which offers privileged access for guests and residents.
