Villa Kakisis spans 400 sq. m. and sits on a 3,000 sq. m. property, creating an impressive setting for families, friends, or exclusive gatherings. As a result, it works beautifully for guests seeking comfort, space, and a refined Cretan stay.

The villa comfortably accommodates 12 guests, with the option to host up to 14 guests upon request. This sea view villa with kids' pool also features five bedrooms, en-suite bathrooms, an 80 sq. m. private pool, fenced children's pool, private playground, outdoor kitchen, BBQ facilities, external TV, shaded seating, sun lounging areas, large dining space, and panoramic views towards the old Venetian town and sea.

Pool, Outdoor Kitchen and Playground

The 80 sq. m. private pool forms the centrepiece of Villa Kakisis. Around it, generous lounging areas offer plenty of space for sunbathing and relaxing.

A shaded seating area provides comfort during warmer parts of the day. Moreover, the fully equipped outdoor kitchen, BBQ facilities, and external TV make outdoor entertaining simple and enjoyable.

Families will also appreciate the fenced kids' pool, which is integrated within the adult pool area. In addition, the private playground gives younger guests another safe and fun place to enjoy.

The ground floor welcomes guests into a spacious living room filled with natural light. Large windows frame panoramic views of the old Venetian town and shimmering sea.

A 65-inch TV and air conditioning make this space ideal for movie nights or quiet evenings indoors. Furthermore, the fully equipped kitchen and large dining area create a comfortable place for shared meals.
