DESCRIPTION

From Kambura Villa it is only 5 minutes to Mirissa Harbour to go whale watching, 1 hour to Galle Fort...a Unesco Heritage Site. Guests can also take a day trip to Yala for a safari to see leopards, or go to Udawallawe National park to see the wild elephants, or visit the little known Bundala National Park. Bundala National Park is considered by many to be one of the best sites in the world to see migrating birds. We can arrange all these trips for our guests, as well as arrange the gourmet hamper to take with them for a picnic lunch.

Kambura Villa is 10,000 sq ft of 6-star luxury with 5 / 6 bedrooms all ensuite, with terraces or balconies, its own gymnasium, cinema room, games room, an infinity pool. From the terraces, there are incredible views over the Indian Ocean and there is a private stairway to a deserted beach.

There is also a huge roof terrace with a 360-degree view of the surrounding area. This is a marvelous place to host a party or BBQ or simply enjoy the sunset with a drink in hand.

The villa is fully staffed, including a chef, and a state of the art kitchen where International and local dishes are prepared. A super venue for guests, if they wish, to learn the art of making a Sri Lankan curry
