### DESCRIPTION

Located just moments from Kata Beach and a wide range of restaurants, bars and amenities venturing out to explore the town is easy and enjoyable. For a large family or group of friends, Villa Katamalee offers the perfect accommodation for a memorable relaxing holiday.

The master bedroom within Villa Katamalee features a four poster king sized bed, wooden furnishings and en-suite bathroom. Providing a relaxing hideaway from the heat, you can spend a quiet afternoon taking a nap in the air conditioning or reading a book in the natural light that floods the room. A desk is available for those who still need to finish up some work before they can fully unwind. With a contemporary design, the bedroom is modern and light creating a comfortable atmosphere for a restful night's sleep. The bedroom's private terrace features reclining sun loungers for a quiet break from the rest of your group. You can bask in the sun before joining your loved ones for a delicious meal.

Villa Katamalee's guest bedrooms are equally as beautiful and modern as the master suite. With king sized or twin beds, en-suite bathrooms and private terraces, each of the guests can relax in luxury. Minimally decorated, the artworks that are showcased incorporate the Thai heritage of the villa.

Every en-suite bathroom within Villa Katamalee is modernly designed with contrasting black and wood components. Fitted with rain showers and modern facilities, the private bathrooms add an additional touch of luxury to each bedroom.

The sprawling terrace and expansive 12m infinity swimming pool provides an opulent vast space. Looking out over the stunning cliffside view, Villa Katamalee is the ultimate holiday location. You can spend lazy days lounging around the pool on reclining sunbeds and playing with the children in the large swimming pool. The villa also features a smaller children's pool, hidden underneath shade and greenery which can be supervised from the living room, ideal for the younger children of the group.

For an additional luxurious touch, grab your loved ones and have a front row seat to an outstanding sunset, watching the sky change colour and be taken over with stars. Many happy memories will be made for you and your family at Villa Katamalee.

High intricate ceilings and traditional antique Thai art are the main features of the living areas. The living room is furnished with plush couches for a comfortable place to cool off in the fan cooled air. With grand rolling doors, the room can be opened up for a tropical breeze to roll through.

On a large terrace overlooking the jungle view is a round dining table where delicious meals can be served in the tropical climate. Whether you plan to prepare your own dishes or have the private chef create delightful local delicacies to sample, the dining table is an ideal setting to spend a memorable evening with your family with the jungle as your backdrop.

Villa Katamalee boasts a fully equipped kitchen with spacious countertops, centre island and 2 refrigerators. You can whip up your own home cooked meals and snacks with ease.
