DESCRIPTION

The renovation process of the master house and its outbuildings here transpired over three years. The result is spectacular - Stunning interiors matched by private gardens, terraces, and a large pool overlooking gorgeous valley views.

The interiors exude the rich history of the space alongside a contemporary elegance. The amazing genuine stone staircase has been conserved, and connects the intricate layers of the home beautifully.

The kitchen, dining room, living room and two bedrooms are located on the street level. Three bedrooms are then upstairs on the second level, with yet three more on the third level with sloping ceilings and lovely views. Each of these bedrooms have air conditioning.

Walking from the street level down on the garden and pool level are two more bedrooms, a home cinema, and a second fully equipped large kitchen opening onto a sheltered terrace outdoors.

The location of this house allows one to walk to all cafés and restaurants in the village within two minutes, as well as weekly outdoor markets and grocery shops. A garage is included in the rental (2 cars) as well as 2 private parking places set 100m from the house.
