DESCRIPTION

Corfu Villa with Two Infinity Pools

This Corfu villa with two infinity pools offers a sublime Mediterranean escape in the lush hills of the island. Villa Lamprey blends indoor comfort with the outdoor landscape and enjoys unspoilt views of the sea and verdant coastline. As a result, guests can relax in a private setting surrounded by natural beauty.

The villa spreads across 1,000 sq. m. and can host up to 12 guests. It includes seven bedrooms, including two master bedrooms, all with private terraces and ocean-facing views. This Corfu villa with two infinity pools also offers en-suite bathrooms, dressing rooms, a guest house, cinema room, gym, hammam, and outdoor wellness areas.

Large floor-to-ceiling windows open onto an expansive wraparound terrace. Therefore, guests can enjoy a seamless indoor-outdoor living experience throughout their stay.

Living Spaces and Sea Views

The upper pool level includes an entrance hall, living room, dining room, study, and fully equipped kitchen. These spaces are bright, open, and designed to make the most of the sea views.

The living areas look towards the azure waters and the horizon. Moreover, the wraparound terrace keeps the interiors closely connected to the outdoors.

This level also includes a double king bedroom with an en-suite bathroom with shower and bath. As a result, guests can enjoy comfort and privacy close to the main living spaces.

Kitchen and Mediterranean Dining

The American-style kitchen is fully equipped and includes an island. It creates a sociable setting for cooking, drinks, and relaxed meals.

The open layout works well for family dinners and gatherings with friends. In addition, the kitchen gives easy access to the outdoor areas.

Food becomes part of the villa experience here. Guests can enjoy Mediterranean feasts while taking in the Ionian sunset.

Two Infinity Pools and Outdoor Lounges

The villa's two 20 m sea-facing infinity pools form the standout feature of the property. They sit on separate terrace tiers yet remain just steps from each other.

Both pools feature waterfalls and can be heated on request. Therefore, guests can swim, relax, socialise, or enjoy peaceful moments with coastline views.

Outdoor seating and lounge areas offer plenty of space for sunbathing and conversation. Meanwhile, shaded dining areas create comfortable places for long outdoor meals.

Lower Pool Level Wellness and Bedrooms

The lower pool level includes a cinema room, gym, hammam, lounge area, and guest bathroom with shower. This level gives guests space for fitness, relaxation, and entertainment.

There are also two double bedrooms with king or twin beds. Each bedroom has an en-suite bathroom with shower.

The master bedroom on this level has a king-size bed and an en-suite bathroom with shower and bath. As a result, the lower pool level works well for guests who want privacy and easy access to leisure spaces.

Guest House Accommodation

The guest house adds more independence to the property. It includes a living room, dining area, fully equipped kitchen, and guest WC.

There are two double king bedrooms in the guest house. Each bedroom has an en-suite bathroom with bath.

This setup works well for families, couples, or guests who prefer a separate private space while staying close to the main villa.

Outdoor Wellness and Events

The outdoor areas include seating spaces, lounges, shaded dining areas, and an open-air boxing and yoga area. These features support both relaxation and active routines.

Guests can use the terraces for sundowners, Mediterranean dinners, or quiet time overlooking the Ionian Sea. Moreover, the scale of the property makes it suitable for social gatherings as well as peaceful retreats.

With its two infinity pools, seven bedrooms, guest house, cinema, gym, hammam, yoga and boxing area, sea views, and wraparound terraces, Villa Lamprey offers an exceptional Corfu stay.
