DESCRIPTION

The central house has an underground wine cellar, a spacious ground floor where the kitchen, dining room, and living room are located, as well as two comfortable bedrooms, and a first floor that is an attic. The two bedrooms on the ground floor feature king-size beds and en-suite bathrooms with shower. The central house can accommodate up to 8 people on extra beds and sofa in the living room.

There is an additional smaller three-house complex next to the central residency featuring another fully equipped kitchen with a masonry oven in the first house, a bathroom with shower, washing machine, and iron board in the second house, and another bedroom with bathroom and shower in the third house. The extended complex can accommodate ideally up to 4 people.

There is an outdoor heated pool and garden furniture. The guests also have private parking and 12 mountain bikes at disposal.
