DESCRIPTION

Set along the east coasts of Phuket, the villa overlooks a stunning landscape made up of turquoise waters, clear blue skies and rugged coastlines. A total of five finely-appointed bedrooms offers plenty of space to accommodate large travelling parties, so feel free invite your nearest and dearest to join in your fun-filled travel trip!

Five bedrooms at Villa Leelawadee sleep ten guests. There are two master bedrooms; one sits on the upper floor, while the other is located on the ground floor. Guests residing in the former will wake up to breathing views of the ocean, while those occupying the latter will have a private terrace and gorgeous Italian-style en suite to call their own. The three remaining guest bedrooms interconnect. Two en suites (one comes with a glamorous outdoor bathtub!) are shared between travellers occupying the guest bedrooms.

A pier-like infinity pool extends out from the indoor lounge to reach the edge of the lawn. Loungers flank one side of the pool, while the other side contains a ping pong room furnished with bar stools and a bistro table. It's undeniable that this is the best spot in the house to hang out and take in the sweeping ocean views. Cocktails, anyone?

Minimalist and modern, the living spaces at Villa Leelawadee ooze vibes that are distinctly Scandinavian. Wood panel ceilings, cream-hued walls and wooden furniture are features common to all rooms and communal living areas. Sink into the plump couches at the indoor lounge while you gaze out at the mesmerising coastal scenery beyond. Dining experiences here are a pleasurable affair; meals at the dining table comes with striking ocean views. The European-style kitchen comes equipped with plentiful appliances, so avid cooks have everything they need to prepare a gourmet feast.
