DESCRIPTION

Villa Limao – Elegant Golfside Villa in Quinta do Lago

Located in the prestigious Quinta do Lago, Villa Limao is a charming and elegant retreat surrounded by beautifully landscaped gardens in the exclusive Monte Golfe area. Combining classic Algarve architecture with peaceful outdoor living, this three-bedroom villa offers a relaxed and private setting ideal for families and guests seeking a tranquil escape close to the region's renowned golf courses, beaches, and nature reserves.

One of the villa's most distinctive features is its unique central indoor garden, designed around a striking banana plant that brings natural light and greenery into the heart of the home. This thoughtful architectural element creates a calming atmosphere throughout the interiors while enhancing the villa's connection to its surrounding landscape.

Set across two floors, Villa Limao welcomes guests through a spacious entrance hall leading into a split-level living and dining area. The comfortable living room features plush seating, a fireplace, and cable television, with large patio doors opening directly onto the gardens and swimming pool terrace. Slightly elevated above the lounge area, the dining space provides an intimate setting for shared meals and relaxed evenings indoors.

The fully equipped kitchen overlooks the indoor garden and includes modern appliances along with a bright breakfast area, creating a practical and inviting space for everyday living. On the ground floor, two twin bedrooms with air conditioning share a spacious bathroom, making this level particularly well suited for families or groups travelling together.

Upstairs, the primary bedroom offers additional privacy and comfort, complete with a double bed, en-suite bathroom, and direct access to a private terrace overlooking the gardens and pool area. Large windows and natural light create a peaceful atmosphere ideal for restful mornings and quiet evenings.

Outside, Villa Limao is surrounded by mature gardens filled with colourful plants, rockeries, and manicured lawns that enhance the villa's sense of privacy and serenity. A spacious covered terrace with pergola provides shaded outdoor living and dining areas, while the built-in BBQ creates the perfect setting for relaxed alfresco meals with family and friends.

At the centre of the outdoor space is the villa's private swimming pool, measuring approximately 10 by 4 metres and featuring elegant Roman steps for easy access. Sun loungers and terraces surround the pool, inviting guests to enjoy long sunny afternoons in the peaceful Algarve climate.

Perfectly positioned within Quinta do Lago, Villa Limao offers easy access to championship golf courses, golden beaches, nature trails, fine dining, and the exclusive lifestyle for which the Algarve is internationally renowned. Whether enjoying quiet days by the pool or exploring the beauty of southern Portugal, Villa Limao provides an elegant and relaxing base for an unforgettable stay.
