DESCRIPTION

Villa Lovebird with Open Plan Living and Private Pool

Villa Lovebird is a stylish 5 bedroom Algarve holiday villa built over three spacious levels. As you enter Villa Lovebird, you immediately step into a bright open-plan living area that combines the kitchen, dining space, and lounge. Consequently, the layout creates a modern and sociable atmosphere ideal for families and groups.

The living room feels light and comfortable, featuring an electric fireplace and a flat-screen TV with English and German channels. Moreover, large windows open directly onto the outdoor area. By opening the window behind the sofa, you access a covered exterior lounge terrace, which effectively extends the living space and enhances indoor-outdoor living.

Dining Area and Fully Equipped Kitchen

The dining area includes an elegant oval table that seats up to six guests. Adjacent to this space, the fully equipped kitchen offers a fridge/freezer, oven, electric hob, dishwasher, central island, and breakfast bar with two seats. Therefore, Villa Lovebird provides everything needed for relaxed holiday dining.

Five Bedrooms Across Three Levels

On the ground floor, you will find two double bedrooms, both with en-suite bathrooms featuring walk-in showers. In addition, a guest cloakroom is conveniently located on this level.

Upstairs, the master suite occupies the first floor. This spacious bedroom includes a walk-in shower and access to two private terraces. One terrace overlooks the pool area, while the second offers additional outdoor privacy.

The lower ground floor features a self-contained living area, which adds flexibility for larger groups or extended families. Here, bedroom four is a double en-suite bedroom with a walk-in shower. Meanwhile, bedroom five offers twin beds and access to a separate bathroom with a walk-in shower. Furthermore, this level includes an open-plan lounge with a compact fully fitted kitchen equipped with an oven, microwave, kettle, mini-fridge, and dishwasher.

Outdoor Space with Zen Atmosphere

Outside, Villa Lovebird creates a peaceful and relaxing setting. The private swimming pool forms the centrepiece of the terrace, while a gas BBQ and outdoor dining table allow guests to enjoy alfresco meals. In addition, a covered seating area provides the perfect spot to unwind with a cocktail at sunset.
