DESCRIPTION

Luxury Villa in Tuscany Surrounded by Rolling Countryside

Villa Lucentia sits in the rolling green hills of Tuscany, just outside Volterra. It offers a rare blend of historic charm and modern luxury. Moreover, it is surrounded by olive groves, cypress trees, and open countryside views. As a result, guests enjoy complete peace and privacy in an authentic Tuscan setting.

Private Estate Living in the Heart of Tuscany

The estate spans nearly two hectares of private land. Therefore, it provides exceptional space and total seclusion. Olive trees and Mediterranean palms frame the landscape. In addition, they enhance the natural beauty of the Tuscan countryside. This creates a calm and exclusive environment for every stay.

Saltwater Infinity Pool with Countryside Views

At the centre of the estate, a saltwater infinity pool overlooks the valley. It appears to merge with the horizon. Furthermore, the surrounding terrace includes sun loungers and shaded seating areas. Guests can relax here throughout the day while enjoying uninterrupted views.

Outdoor Dining and Al Fresco Living

A separate outdoor pavilion enhances the villa experience. It includes a fully equipped kitchen and a shaded dining terrace. Consequently, guests can enjoy long breakfasts, relaxed lunches, and evening dinners outdoors. Lavender gardens surround the space, which adds fragrance and atmosphere.

Restored Interiors with Modern Elegance

Villa Lucentia preserves its original Tuscan character. At the same time, it introduces modern comfort. Stone walls, terracotta roofs, and wooden beams reflect its heritage. Meanwhile, soft neutral tones and natural materials create a calm and refined interior.

The living room feels warm and inviting. It features a traditional fireplace for cosy evenings. Next to it, the dining area connects smoothly to a modern kitchen. The kitchen includes premium appliances and a travertine island.

Flexible Seven-Bedroom Accommodation

The villa offers seven en-suite bedrooms. These are spread across the main house and two guest houses. Therefore, the layout works for both small and large groups. Guests can book it as a five, six, or seven-bedroom villa depending on their needs. As a result, it suits families and friends equally well.
