Villa Lune

Villa Lune is a stylish, contemporary house with a distinctly Mediterranean feel situated on a quiet hillside above Trunk Bay, Tortola. At the entrance to the property you are greeted by large blue urns of tropical flowers and a unique water feature that flows from a fountain down through the middle of the mosaic outdoor dining table. The pool and surrounding terraces provide the focal point of this stunning vacation home.

DESCRIPTION

The sun terrace beyond the pool is furnished with comfortable loungers that offer an unobstructed view of the turquoise water, white sand beach and lush tropical hillside. The beach is so close that you can actually hear the gentle lapping of the waves.

Outdoor living is the recurrent theme at Villa Lune. The kitchen has large windows that open out onto the dining terrace so that even whilst cooking you are never far from the party. The contemporary style of design throughout the house is evident from the comfortable furniture on all decks and terraces to the high-end appliances in the kitchen.

The bedrooms have been carefully situated to offer privacy from the rest of the house, each with a private sea-facing deck. Air-conditioning and en-suite bathrooms are of course standard. L'Occitane bathroom amenities are replenished once per 7-night stay

The beach at Trunk Bay can be reached on foot within 10 minutes and we recommend that you hire a car to explore the many other beaches and activities that Tortola has to offer. Perfect for a group of couples or for families, Villa Lune offers island living at its very best.
