Luxury Villa in Cannes with Sea Views and Private Pool

Villa Mackey is an exceptional luxury villa just above Cannes, offering sublime sea and coastal views. Completely refurbished by a locally renowned interior designer, the property combines sleek, modern style with a warm and welcoming atmosphere.

With six bedrooms, three reception rooms and generous outdoor spaces, Villa Mackey is ideal for families and groups. The villa is also perfect for entertaining, with elegant dining areas, a large outdoor lounge and an 11 x 6 metre saltwater swimming pool. Plus, its location makes it an excellent choice for enjoying Cannes and its famous events.

Elegant Interiors and Spacious Living

Villa Mackey has been finished to an exceptional standard. Its interiors feel both sophisticated and comfortable, with plenty of space to relax together.

There are three reception rooms, including two living rooms and a dining room. Both living rooms feature open fireplaces, while one also has a large flat-screen TV. Meanwhile, the dining room has an impressive table that seats more than 12 guests.

The dining room opens onto a covered terrace, making it easy to move between indoor and outdoor dining. The terrace also features a built-in gas barbecue and seating for eight to twelve guests.

A Well-Equipped Kitchen for Entertaining

The open-plan kitchen connects directly to the dining room. It features marble worktops, an eight-ring hob and a cold water and crushed ice machine. In addition, eight refrigerated drawers provide plenty of space for keeping ingredients and drinks chilled.

It's a great space for preparing meals, whether you're cooking for family and friends or have a private chef. There's also a fully equipped utility room on the lower floor, along with an extra fridge and wine cooler.

Six Bedrooms and an Independent Studio

Villa Mackey offers six bedrooms across several levels, providing flexible accommodation for larger groups. The layout also includes an independent studio apartment.

On the garden level, one double bedroom has an en-suite shower room. The first floor features the master suite, with a king-size bed, en-suite shower room and separate en-suite bathroom. A further double bedroom with an en-suite bathroom is also located on this floor.

On the second floor, two double bedrooms share a shower room designed as a wet room. A feature shower sits in the centre of the space.

The independent studio is located on the pool level. It has a double bed, a small kitchen, a living area and a separate shower room. This provides extra privacy for guests who prefer their own space.

A Dedicated TV Room and Office

There's more to Villa Mackey than its main living areas. On the pool level, a separate TV room opens onto the courtyard, creating another comfortable space to unwind.

An office is also available for guests who need a quiet place to work during their stay. Together, these additional spaces make the villa practical for longer holidays and larger groups.

Outdoor Living on the French Riviera

Outside, Villa Mackey captures the relaxed elegance of the French Riviera. The garden and terraces provide plenty of space for outdoor dining and entertaining.

The covered dining terrace is ideal for long meals with family and friends. Meanwhile, a large outdoor living area offers a comfortable place to relax and enjoy the views.

The impressive 11 x 6 metre saltwater pool is a highlight of the garden. Spend sunny afternoons swimming or lounging by the water, then gather outside as the evening draws in.

Villa Mackey combines its elegant design with practical features for a comfortable stay. The property is fully air-conditioned and also benefits from underfloor heating.

For added convenience and peace of mind, there is a garage, electric gates and a sophisticated alarm system. Off-street parking is available for up to three cars.
