Indoors

This villa is built on two levels. On the street level we find a beautiful garden that gives the entrance to the house. This nice entrance leads to the large and bright living room. The indoor and outdoor spaces are connected by a large glass window. You can enjoy the beautiful sea views from the large livingroom and you have access to the front terrace of the house.

In the living room there is a large fireplace and in the dining area, closer to the newly renovated kitchen, we find a large dining table. The bedrooms are found on the main floor and on the inferior floor, all of them have large windows that provide incredible views to the balearic sea.

Outdoors

The pool (12x4m) has breathtaking sea views. The pool area is fenced.

The villa has a direct access to the sea and the beach is 500 meters from the house. The outdoor living room is the ideal place to enjoy the experience of the villa. The lush garden has several shady or sunny spots for moments of gathering over a delicious meal or relaxing with a good novel.
