DESCRIPTION

Villa Mahe is located in the exclusive region of Glacis where Ian Fleming got the inspiration for his book For Your Eyes Only. The area is popular because of its abundant sandy beaches, coral reefs and tropical vegetation.

Situated less than a five minute walk from the beach, Villa Mahe has an 180-degree view of two distant islands, a pair of bays situated on either side of the villa, a front landscape of ancient granite boulders and a small, secluded cove a short swim away.

From the gardens there is direct access down to the sea via a gentle flight of steps, where you can swim, go kayaking or snorkelling,

The vibrant Beau Vallon Bay with its many restaurants, bars and local markets is a short distant away. The capital Victoria 20 minutes.
