Its open space from the living room to the kitchen gives a wonderful feeling of freedom. Sunrise in the morning, light falling everywhere, cozy furniture and surrounded by a huge terrace.

The elegant kitchen has a enourmous window with views of the Sierra Tramuntana and turns cooking into a pleasure. It contains a build-in marble sink with a big working space and a new stove.

Fresh fruits and daily hand picked vegetables from the orchard trees in front of the villa. It offers breathtaking view over the city of Llubí and Mallorca. The huge terrace has a beautiful wooden eucalyptus structure. The property has two tennis courts, a separate yoga house and the garden provides you oil olive, honey and oranges. Horses can also be found. The stable is on the property of the finca. We have has several horses, beautiful and majestic animals. The horses only get the best food.
