DESCRIPTION

Inside the property is modern decor. The high-quality interior furnishings, clean lines, and tasteful decoration all join to create a feeling of luxury. The villa has underfloor heating making it a great choice for winter breaks too!

The bright living room is made even more welcoming by the use of leather sofas and wooden furniture, which stand out beautifully against the white walls.

The large well-equipped kitchen and dining area opens conveniently onto the shaded part of the terrace beside the private pool.

The four bedrooms are distributed throughout, with two double bedrooms upstairs, another double bedroom on the ground floor, and a twin bedroom also located on the exterior of the ground floor with its own exclusive access from the outside is ideal for nannies. All bedrooms feature en-suite bathrooms.

In the months outside of June to September, the exterior en suite bedroom is locked, making it a 3 bedroom property.
