DESCRIPTION

It has breathtaking sea views and panoramic views to the Straits of Gibraltar, the African coastline and to the Sierra Blanca mountains. Villa Maya is surrounded by the best of the Costa del Sol's natural beauty, yet the glitz and the glamour of Marbella town and Puerto Banus are just a few minutes away.

Villa Maya has a clean and sleek design with an open plan layout. Indoor living is merged perfectly with the external areas, thanks to large glass doors and outside entertaining space. Indoor living combines seamlessly with the stunning nature on the Costa del Sol, striking a perfect balance between sleek, modern architecture and the natural world. With the expanse of glass, the sea and the sky become one. There is underfloor heating together with hold/cold air conditioning. The 5 bedrooms and en-suite bathrooms are distributed carefully throughout the villa so as to maximise the views. The living and dining areas also boast spectacular vistas and open onto the pool area.

Externally there is a saltwater swimming pool together with beautifully manicured gardens. The gardens are carefully kept with automatic irrigation and ambient lighting.
