DESCRIPTION

Villa Mayer estate offers a perfect country escape for those seeking complete privacy and relaxation in the heart of Tuscany. Villa Mayer is an exclusive estate consisting of three villas, each with its own grounds, pool and outdoor space, that can be rented together or separately.

With stunning views of the surrounding countryside, the three villas are ideally situated to offer complete privacy to its guests, providing an ideal retreat for those who want to explore this area.

With three of the most stylish properties in the Tuscan countryside, Villa Mayer is a 20-acre estate on a hill below the ancient hamlet of Panzano. Access to the property is through two different and short, not paved roads starting from the town. Located in the heart of Chianti, the estate is perfect for families or friends who want to enjoy the tranquility of the countryside in complete privacy: two of the villas were built during the 16th and 17th century as farmhouses, while the third villa is a new addition.

Surrounded by greenery, the property has been masterfully restored while preserving the atmosphere of a traditional Tuscan residence. After four years of renovation, which was completed in 2018 and has involved a specialized architect, a construction company of local artisans, and a search of original materials from all over Italy, this property is now available for rent. Moreover, during the restoration process, the owners have respected the environment with the use of clean energy sources like solar and geothermal energy.
