DESCRIPTION

Soak up the sun from the marble terrace, refresh yourselves at the infinity edge swimming pool, enjoy the sea and the island's landscape view and set up the BBQ for a great dining at the cozy outdoor spaces. Villa Meara is ideal for accommodating 10 people in five bedrooms and four bathrooms and it is located at a low hill in Tzane-Golden Beach, just 8 min driving from the endless sandy homonym beach.

The villa was built in 2016, in three levels following the Cycladic architectural style. Five bedrooms indoors and large terrace outdoors create a relaxing holiday sense. The 12x4.5 m swimming pool is the best place to be especially with such a view!

The ground level features an open plan living dining area with an extremely cozy sofa and a big white metal marble look dining table with clear acrylic chairs, blending technical design innovation with baroque reverence. This room has eye-catching bubble pendant chandeliers and windows with great view. A fully equipped kitchen with direct exit to the outdoor dining and BBQ area and a WC are at this level. At this level there are three interconnected bedrooms. A double bedroom with nice décor including an en-suite bathroom is also located here. A spacious guest room with a double bed and second bright bedroom right next to it with two single beds, sharing a shower bathroom complete the ground level. All rooms at the ground floor enjoy sea view and have direct access to the pool.

The first floor features a spacious master bedroom with an en-suite bathroom. This room is privileged with amazing sea view.

The lower level consists of an ample double bedroom including a sofa and en-suite bathroom while offering access to the pool.

The blue-gray marble flooring gives a refined look at the outdoor spaces. Pergola covered areas like the dining area with a modern concrete table, the BBQ area with outdoor kitchen sink and the bar area give the guests many choices to spend most of the time outdoors. A large build in sofa with comfy cushions create a cozy feel and are ideal for coffee and chilling. An outdoor bathroom with shower and parking area are available too. The large infinity edge swimming pool with stunning view, equipped with sun beds, welcomes the guests at first sight.
