It all goes beyond your imagination. Come and experience!

Mia Estate has 13 air-conditioned bedrooms. There are 11 bedrooms with king-size beds and 2 with queen-size double beds. Each room has its own private en-suite bathroom. All have showers, toilets and washbasins. Some have bathtubs to soak in at the end of the day and others have private gardens with outdoor showers, embracing the tropical lifestyle. The rooms are decorated with tasteful art and artefacts and all the rooms are equipped with large TVs with Netflix for your entertainment. There's a personal safe in each room as well as minibars.

Mia Estate boasts an enviable beachfront location in the north of Chaweng. If not strolling on the beach or swimming in the sea, you can sunbathe in the garden and dip into the crystal clear water of one of the swimming pools. Yes, the estate has more than 1 pool with sunken in-pool lounge areas for cocktail sipping and more. On top of that, there is an outdoor jacuzzi. It's simply amazing! Sunbeds are placed on the lawn and the sandy shore. Whether you want to snooze a little, sunbathe a little, read a book or have drinks, there's the perfect spot for everything.

Mia Estate has 2 spacious private living areas where you can hang out and dine together with friends and family. The design is stunning with high vaulted wood-beamed ceilings and slide-away glass doors to maximize the garden, pool and ocean views. The living spaces are decorated with hand-picked art, natural rugs and custom-designed furniture. There are plenty of places to sit and dine both indoors and outdoors. The kitchens are sleek and contemporarily equipped with everything needed and more. On top of that, you get to enjoy the services of a private chef.
