DESCRIPTION

This awe inspiring property fuses tranquillity with home comforts in the surroundings of luxury architectural design. With four bedrooms in total, two double bedrooms with en-suites upstairs and two twin rooms with a separate bathroom downstairs.

All the bedrooms are spacious, with clean lines and built in wardrobes. The twin bedrooms open out onto a private deck area downstairs. Upstairs the bedrooms have a unique view onto the swimming pool. Also upstairs is the expansive open plan living, kitchen and indoor dining area complete with built in fireplace. This area opens out onto a chic concrete terrace with seating facing the sunset behind the pine trees.

The extra long outdoor swimming pool sits amongst a decking area for soaking up Comporta's sunshine.

Complete with sun loungers, deck chairs, a portable bbq and outdoor shower. The outdoor area has complete privacy and a sultry feel thanks to the mood lighting.

An additional bonus is the five adult bikes, garage space on the property and daily cleaning.

Each room has air conditioning making it a cooling environment especially when combined with the concrete material and white washed walls. Touches of warmth are found in the natural waves and cosy textiles. A dream home for both family and friend vacations.
