DESCRIPTION

In a landscaped garden dotted with tall pines, surrounded by woodland, a rocky promontory swathed in lawn seems to reach out into the surrounding pine forests.

Here, Villa Munoz's beautiful 20m-long pool gives you the perfect excuse to enjoy this serene landscape. Relax in large daybeds beside the pool, as birds sing in the boughs of tall pines overhead, and the views stretch over the treetops to the sea.

The interiors of this luxury Ibiza villa are equally serene. An al-fresco dining table, seating twelve, sits on the terrace close to the wide sliding glass doors to the main living space. Open full width, these bathe the distinctive oval sofa seating of the main living space in natural light, with views across the beautiful terrace and gardens.

This is a fabulous entertaining space; spacious and bright, with an exceedingly well-equipped kitchen, in neutral tones and natural wood highlights, is bathed in natural light from the floor-to-ceiling windows.

The same neutral tones extend to the eight spacious bedrooms, with light wood floors, pale walls, and linens in tones of white and soft grey; each has a sophisticated en-suite bathroom with sleek fittings softened by natural wood – giving the accommodation a serene 'back to nature' feel.

The master suite also boasts a private terrace from where you can enjoy the idyllic vistas of the pool, gardens, pine-scented forest and the sea sparkling on the horizon.

If you're seeking an Ibiza hideaway with oodles of sophisticated calm and tranquillity, Villa Munoz is a perfect choice.
