INSIDE : Elegant Interiors, Boundless Space

The accommodation at Villa Muse is masterfully arranged to provide both grand spaces for gathering and intimate corners for quiet reflection. The main house, spread across three levels, is a testament to chic design. From the moment you step inside, you are greeted by a harmonious flow of living and sleeping spaces, all imbued with a sense of calm and refined taste.

The ground floor is the vibrant heart of the home, featuring an open-concept living and dining area that is nothing short of spectacular. A state-of-the-art Italian kitchen, complete with premium appliances including a dishwasher, espresso machine, and a large fridge-freezer with an ice maker, invites culinary exploration. The dining area, with its uninterrupted sea views, sets the stage for memorable feasts. Multiple sets of French doors blur the line between inside and out, flooding the space with natural light and offering seamless access to the expansive terraces. The décor is a masterclass in modern elegance: whitewashed, wood-beamed ceilings, crisp white-tiled floors, and carefully curated designer furnishings that balance a clean, minimalist aesthetic with the warmth of natural textures.

Ascend the stairs, and the entire first floor is devoted to the palatial master suite. This is a true retreat, featuring a romantic double bedroom, a cozy decorative fireplace, a generous walk-in wardrobe, and a sumptuous en-suite shower room. A few private steps lead to a breathtaking roof terrace, a secluded vantage point offering panoramic sea views that are simply unforgettable—the perfect spot to find your inspiration.

The lower level of the main house reveals a haven for leisure and relaxation. Here, a serene double bedroom with a private bathroom and walk-in closet provides a tranquil escape for guests. This floor is also home to a spacious playroom equipped with a TV, a fully equipped bar, and a quiet library space, ensuring that every moment, whether active or restful, is perfectly catered to.

For larger groups or families seeking ultimate privacy, the separate guest unit is a jewel in itself. Its ground floor comprises three beautifully appointed bedrooms, each with its own internal bathroom and captivating sea and garden views. A fully equipped kitchen and a comfortable living room with a TV complete this independent living space. The guest unit also features a lower level with two service bedrooms, a storage area, and a state-of-the-art laundry room, providing unparalleled convenience.
