DESCRIPTION

Villa Musetti has been totally remodelled both inside and out, offering a perfect blend of rustic charm and modern convenience. The villa is now very modern in function, featuring all new appliances and the latest technology throughout, ensuring a comfortable and luxurious stay. The open-plan layout of the villa seamlessly integrates modern design with its distinctive charm.

Upon entering, you'll find a comfortable lounge equipped with a large OLED TV and a PlayStation 5 with a selection of games. The modern kitchen is fully equipped with all new appliances, making meal preparation a delight. The outdoor area has also been revamped, featuring a top-of-the-line ceramic Primco BBQ, similar to the Big Green Egg, perfect for outdoor cooking enthusiasts. The cosy rooftop terrace with ambient lighting offers a perfect spot for relaxation and enjoying the stunning views. Upstairs, the villa offers three double guest rooms, one with an en-suite shower, and private balconies that make the most of the breath-taking scenery. There is also a separate family shower room on this level. On the ground floor, there are two additional double guest rooms and a separate family shower room.

The villa's location provides peace and tranquillity while being a short drive from the Coral Bay Strip, with its top beaches, restaurants, bars, and shops. The surrounding area includes the charming village of Peyia, St.
George, and the Akamas Peninsula and National Park to the west, and Paphos Old Town and Kato Paphos to the east.

Several patio doors lead to the lovely pool area, which includes an outside dining and soft seating area, a unique walk-in infinity pool (heating optional extra), luxury sunbeds, and a heavenly jacuzzi/spa with massage jets (optional extra). The versatile all-season jacuzzi is perfect for a steamy winter soak or a refreshing summer dip, offering luxurious hydrotherapy with adjustable jet settings for ultimate comfort. There's also a ping pong table for your entertainment.
