DESCRIPTION

Luxury Seafront Retreat in Lefkada

Inside, Villa Napoles combines contemporary design with effortless Mediterranean living. Completed in 2022 after three years of meticulous construction, the villa reflects a refined attention to detail throughout. The interiors feel spacious, light-filled, and calming, with a soft colour palette that enhances the sense of relaxation. The open-plan living area connects seamlessly with a fully equipped kitchen and dining space, while large floor-to-ceiling windows frame uninterrupted views of the sea, surrounding greenery, and pool terrace.

The villa features five en-suite bedrooms, each designed to offer privacy, comfort, and a distinct sense of tranquillity. Three bedrooms sit on the main level alongside the living area and pool, while the remaining suites are located on the lower level, offering additional space, independence, and flexibility for larger groups.

Outdoor Spaces: Infinity Pool, Terraces, and Sea Views

Step outside to discover layered terraces overlooking the bay of Vlycho. Surrounded by natural vegetation and mature trees, the villa enjoys a peaceful hillside position far from the crowds.

At the centre of the outdoor space is a heated infinity pool (10.5m x 3m), where the gentle sound of flowing water enhances the sense of calm. Around the pool, multiple lounge areas create spaces for both relaxation and socialising. A large handmade wooden dining table, set beneath shaded terraces with ceiling fans, provides the perfect setting for long lunches, evening dinners, or cocktail gatherings.

Private Suites & Flexible Living

Each bedroom at Villa Napoles is en-suite and features air conditioning, smart TVs, and ceiling fans. The main-level bedrooms include direct access to the terrace or private outdoor areas, while one suite features a freestanding bathtub positioned to take in sea and nature views.

The lower level offers a self-contained suite with two double bedrooms, an additional kitchen, a spacious living room, and a private sea-view patio. This level also includes a large lounge with sofa beds, accommodating additional guests and creating a flexible space for families or groups.

Luxury Villa Living

A Lefkada Experience

Villa Napoles offers a refined island escape where design, privacy, and natural beauty come together. While the villa enjoys a peaceful hillside setting, it remains within easy reach of the island's beaches, coastal villages, and vibrant waterfront life.

In other words, it provides the perfect balance between seclusion and access to the best of Lefkada.
