DESCRIPTION

Villa Neutron – Luxury Hillside Retreat in Los Angeles

Perched high above Los Angeles in the exclusive hills of Sherman Oaks, Villa Neutron is a spectacular mountain-top retreat offering panoramic views across the entire Los Angeles Valley. Combining relaxed California living with modern luxury, this spacious five-bedroom villa provides an unforgettable setting for family holidays, group getaways, and stylish city escapes.

Surrounded by swaying palm trees and elevated above the city, Villa Neutron creates an atmosphere of privacy and tranquillity while remaining close to the iconic attractions of Los Angeles. Expansive indoor and outdoor living spaces are thoughtfully designed for entertaining, relaxation, and enjoying the spectacular scenery from sunrise to sunset.

Inside, the villa blends warm cabin-inspired charm with contemporary comforts and modern amenities. Spacious open living areas feature elegant furnishings, natural light, and inviting social spaces perfect for gathering with family and friends. Guests can relax beside the fireplace, enjoy movie nights with the flat-screen HDTV and NFL channels, or spend leisurely evenings playing board games. Additional entertainment features, including a drum set and massage table, add a playful and unique touch to the property.

The fully equipped chef's kitchen is designed for both casual family meals and larger gatherings, offering generous preparation areas and modern appliances. Meals can be enjoyed indoors or outside in the beautiful alfresco dining area overlooking the valley below.

Villa Neutron accommodates up to sixteen guests across five comfortable bedrooms with flexible sleeping arrangements ideal for families and larger groups. Most bedrooms feature king-size beds, while additional sofa beds and a custom triple bunk bed provide extra versatility for children and groups travelling together. Large windows throughout the home frame beautiful mountain and city views, creating a bright and calming atmosphere in every room.

The outdoor spaces are truly the highlight of the villa. The private swimming pool is surrounded by lush palm trees, sun loungers, and lounge seating areas designed for long afternoons under the California sun. A dramatic cliff-side jacuzzi offers breathtaking sunset views across Los Angeles, creating an unforgettable experience day or night. Guests can also enjoy outdoor dining, BBQ evenings, and peaceful moments on the terrace while overlooking the sparkling city lights below.

Modern amenities throughout the property ensure a seamless and comfortable stay, including air conditioning, central heating, complimentary WiFi, washer and dryer facilities, premium linens and towels, toiletries, and parking for up to four vehicles. Enhanced cleaning standards also provide added peace of mind for guests seeking a safe and relaxing retreat.

Perfectly positioned in Sherman Oaks, Villa Neutron offers convenient access to many of Southern California's most iconic attractions, including the Hollywood Sign, Santa Monica Pier, and Venice Beach. Whether exploring the city, relaxing poolside, or enjoying sunset views
