### DESCRIPTION

#### Ground Floor

We all love an impressive entrance and Villa Noble does not disappoint! You will find a beautiful hall with a custom-built tropical fish tank.

#### First Floor

As you ascend to the first floor you will find an exotic wooden bar that has been transformed into a double Bedroom Ensuite. Here is where you will find a separate self-contained duplex apartment with Double Ensuite. The apartment also has the option to allow 3 extra people to stay. A sofa bed and a single bed are available in the open-plan living area.

#### Second Floor

The Master Ensuite on the second floor is simply amazing and the best our portfolio has to offer. A custom-made king-size four-post bed in a large spacious room with a relaxing seating area greets you. The bedroom itself accesses a private terrace with chill-out area. There are a large outdoor bath and a private shallow lagoon pool, all perfectly positioned offering sea views.

A stunning glass wall separates the bedroom from the bathroom. The bathroom has 2 modern 'his and her' sinks, a freestanding bath, and a custom-built rain-forest shower all facing out towards the sea. The Master Ensuite has a spacious walk-in wardrobe/dressing room. There are three separate and large wardrobes and plenty of space with seating, mirrors, and drawers.

#### Third Floor & Outside

On the top floor are the social areas of the villa. These include the kitchen/dining room, Alfresco Dining table, and a fully furnished outdoor sitting room complete with a fireplace. Moreover, there is a separate TV Room with comfortable leather sofas. Finally, sunbathing terraces and an infinity heated pool that cascades down to the private lagoon pool area on this floor. Whether you choose to entertain entirely at home or to bring the party back after checking out the [local bars and restaurants](#), Villa Noble does not disappoint!

There really is no better place to spend your holiday in Sitges.

The villa is fully air-conditioned.
