

Luxury Villa Living

Villa Noir

Seemingly floating above the hillside from which it rises, Villa Noir is an ingeniously conceived and ravishingly finished mountain retreat. It is both a triumph of contemporary architecture and an ode to local traditions, where granite, chestnut wood, artisanal know-how and intoxicating vistas combine to capture the essence of the island's ancient landscape. Down below, meanwhile, just a 10-minute drive away, is the sparkling sea of Corsica's east coast.

DESCRIPTION

Luxury Villa in Corsica with Mountain and Sea Views

Villa Noir is a luxury villa in **Corsica**. It is set in a dramatic natural landscape overlooking forested mountains and the craggy peaks of the Aiguilles de Bavella. As a result, the villa offers spectacular panoramic views of both mountains and the sea. It also provides complete privacy within a serene, natural setting.

Contemporary Mountain Villa with Infinity Pool and Panoramic Terraces

Villa Noir is arranged over three floors and designed to maximise its extraordinary surroundings. In addition, its architecture blends contemporary design with natural materials.

A wide decked terrace wraps around the first floor. It includes an infinity pool that appears to float above the landscape. Furthermore, multiple seating areas and shaded spaces allow for relaxed outdoor living.

The villa also features a roof terrace with a hot tub and firepit. Therefore, guests can enjoy uninterrupted views of both mountains and sea from sunrise to night.

Modern Design with Natural Materials and Seamless Living

Villa Noir features a contemporary architectural style rooted in natural materials. Therefore, the design focuses on light, space, and connection to the landscape.

Floor-to-ceiling sliding glass doors open the interior fully to the terraces. As a result, indoor and outdoor living flows effortlessly.

The main communal space includes a sunken living area with a large U-shaped sofa. In addition, a dining table for 14 and a fully equipped kitchen create a spacious open-plan layout.

Natural materials define the interiors, including locally sourced stone and chestnut wood. Altogether, these elements reflect Corsican architectural tradition while maintaining a modern aesthetic.

Luxury Villa Living

Five Luxury Bedrooms and Independent Suite with Mountain Views

Villa Noir offers flexible accommodation across multiple levels.

On the first floor, four bedrooms include en-suite bathrooms, mountain or sea views, and access to the terrace. Each room also features mezzanine sleeping space suitable for teenagers, available on request.

The ground floor includes an independent suite. It features a large double bedroom, sitting area, in-room sculptural bath, fireplace, en-suite shower room, and a private terrace with mountain views. In addition, a separate kitchen enhances privacy and independence.

Therefore, the layout is ideal for families or groups seeking both shared and private spaces.

Wellness, Gym and Relaxation Facilities

Villa Noir includes a dedicated wellness area on the ground floor. It features a fully equipped gym and sauna. In addition, shaded terraces provide space for relaxation and outdoor movement.

As a result, guests can enjoy both fitness and restorative wellness experiences during their stay.

Exceptional Outdoor Living with Infinity Pool and Roof Terrace

Villa Noir offers extensive outdoor living spaces designed to embrace its natural surroundings.

Corsica views stretch across mountains, forested valleys, and glimpses of the sea. In addition, the first-floor terrace includes an infinity pool and multiple lounge areas.

A shaded dining terrace sits beside the kitchen and includes a barbecue, making it ideal for outdoor dining. Furthermore, hammocks and shaded spaces beneath the upper terrace offer quiet relaxation areas.

The roof terrace is a standout feature. It includes a hot tub, firepit, and seating area with panoramic views. Therefore, it offers a unique setting for sunset drinks and stargazing.

The grounds surrounding the villa include olive trees, native maquis, landscaped planting, and a floodlit boules pitch. In addition, a helipad provides private arrival access.
