DESCRIPTION

The villa itself is pure luxury and sheer opulence. Immaculately decorated throughout, it boasts an abundance of artwork which creates an utterly unique habitat for fine living. The downstairs area has a comfortable Kitchen, fully equipped to the level of a dishwasher and capsule coffee making machines. Connected to the kitchen, is a dedicated, separate and spacious TV and casual living room area which opens to the lush garden, pool and bar area. The open plan dining and living areas of this huge 400sq.m. property, are an absolute marvel that oozes class.

All five bedrooms are spacious and come with high class ensuite facilities. Four Bedrooms are on the first floor and offer magnificent sea views from the open plan, generous covered porch. The fifth bedroom is conveniently located downstairs.

The outdoor areas of the villa simply stand out and provide the complete holiday experience. The 12.5m x 4.5m infinity pool takes centre stage and our guests will enjoy it while gazing at the deep blue of the Mediterranean, either while chilling in the pool or sunning on the high-quality sun beds lined up alongside. The outdoor bar offers excellent cooking and grilling facilities; the bar fridge will keep your beverages cool so you can enjoy them on the 6-meter-long bar that comes with super comfortable stools. By the pool and staring at the sea, is a spacious outdoor dining table for cool, breezy al fresco dining at nights or warm breakfasts in the morning shade. The huge grass lawn is an absolute pleasure for the eye and leads to the coast. The villa is gated and offers covered, enclosed parking for 2 cars.

Villa Oceanus is probably the finest seafront Villa in Coral Bay, the flagship of our portfolio in the Paphos region and we are proud to offer it to our guests!
