DESCRIPTION

With five spacious bedrooms and three bathrooms spread across three levels, the property comfortably accommodates up to 10 guests.

The finca is within walking distance of the local Sociedad, the Spanish equivalent of a social club which is a local hub for dining and socialising and just a short drive from the stunning coastlines of Famara and La Santa.

Villa Ochoa features five bedrooms, including four with king-size beds and one with twin beds.

The master bedroom is on the upper level and includes a walk-in wardrobe, an ensuite bathroom with a bathtub and separate shower and breathtaking views of Famara. Three of the bedrooms share a well-appointed shower room, while the fifth bedroom, converted from the finca's original bodega, has access to its own dedicated shower room, offering unique charm.

The kitchen is fully equipped with modern conveniences, including an electric oven, gas hob, and Nespresso coffee maker. The main living area provides an 86" TV with Netflix, as well as a vintage record player with an amplifier for music enthusiasts.

For those who need to stay connected, the finca offers Starlink Wi-Fi, providing fast and reliable internet access.

Outside, the finca boasts a private 10m x 5m pool (unheated) accessed via steps with decking, perfect for enjoying the Canarian all year round climate. There is also an inviting hot tub under a pergola for ultimate relaxation. Beach towels are provided, along with thoughtful extras like hairdryers, a cot, and a highchair for infants to ensure your stay is as comfortable as possible.

Whether you're unwinding in Tao's tranquil surroundings, lounging by the pool, soaking in the hot tub, or exploring the nearby beaches of Famara and La Santa, this finca promises a unique and memorable holiday experience in the heart of Lanzarote.

Tao enjoys a central location, making it an ideal hub for exploration. Just a short 10-minute drive away lies the renowned Famara Surf Beach, beckoning water enthusiasts with its pristine shores and exhilarating waves. The village is strategically positioned to provide easy access to the island's diverse landscapes, including the infamous vineyard areas and the awe-inspiring Timanfaya National Volcanic Park.
