DESCRIPTION

Constructed to the highest standards, it boasts a winning combination of character and luxury. It is also just a convenient 5 minute drive from both Marbella and Puerto Banus.

On the ground floor, there is a beautiful marble entrance hallway with vaulted ceilings and staircase. This leads through to the main living area which, in turn opens onto the gardens. On this level there is also a modern kitchen, all fully equipped, a dining area plus an en-suite bedroom and a library.

The first floor contains three en-suite bedrooms, all with sea views, including the spacious and imposing master suite with its own private terrace. The basement contains a further en suite bedroom plus a sauna, wine cellar, and small staff apartment with kitchen.

The garden has a beautiful swimming pool with Roman steps.

Sierra Blanca is one of the most exclusive areas of Marbella. The term ‘Golden Mile’ has traditionally referred the coastal area that stretches from the western border of Marbella city to the famous marina of Marbella, called Puerto Banus. It is the prestigious residential urbanisation in the hills behind the Golden Mile, offering exceptional views to the sea and La Concha mountain and it is situated at just a five minutes’ drive from both Marbella and Puerto Banus.

Villa Olmo is a superb luxury villa located in one of Marbella’s most prestigious addresses.
