

Luxury Villa Living

Villa Panther

This villa is unique in terms of location, privacy, spaciousness, design, and views, all combined together. Situated on a privately owned hill, overlooking a bay, with unobstructed and breathtaking views, it offers an exclusive and luxurious environment, far away from distractions. At the same time, with a two minutes drive, you can reach Lindos, which is the most sought-after destination on the island and fairly considered one of the most iconic - picturesque villages in Greece.

DESCRIPTION

Private Beach Villa with Heated Pool

This private beach villa with heated pool offers a peaceful setting with wide bay and beach views. The villa has two floors and a practical layout for families or groups. It combines private bedroom spaces, bright interiors, large outdoor areas, and easy access to the beach.

Villa Panther has five bedrooms in total. Each bedroom has a queen-size bed and a private or en-suite bathroom. Every bedroom also has a terrace or balcony. Large windows face the beach and bay, so guests can enjoy the view from every room.

This private beach villa with heated pool gives guests privacy and comfort throughout their stay. The location and design protect the villa from disturbance. They also create unobstructed views from both the indoor and outdoor areas.

Ground Floor Living and Bedrooms

The ground floor includes a living room, dining room, and fully equipped kitchen. These spaces make it easy for guests to cook, dine, and relax together.

This level also has two bedrooms. Each bedroom has a queen-size bed measuring 1.60 m. Each room also has a private or en-suite bathroom. One bathroom has a shower. The other bathroom has a bathtub.

First Floor Bedrooms

The first floor includes three more bedrooms. Each bedroom has a queen-size bed measuring 1.60 m. Each room also has a private or en-suite bathroom.

One bathroom has a shower. Two bathrooms have bathtubs. Each bedroom also opens onto a terrace or balcony. This gives guests private outdoor space and beautiful views.

Heated Pool and Outdoor Living

The outdoor areas offer plenty of space for summer living. Guests can enjoy a heated swimming pool of 60 sq. m. The pool has a depth from 80 cm to 130 cm.

The outdoor spaces also include sofas and armchairs with cushions. A dining table with chairs creates a comfortable place for meals outside. Sunbeds give guests space to relax by the pool.

The villa also has a gas barbecue, large courtyards, garden areas, lawns, and planters with Mediterranean plants.

Luxury Villa Living

Privacy, Lighting and Beach Access

The villa offers absolute privacy and breathtaking views from all areas. Guests can enjoy open views towards the bay and beach from inside and outside.

In the evening, the villa, garden, and pool use automatically adjusted ambient lighting. This creates a pleasant setting for relaxation after sunset.

The beach is within walking distance. The sandy beach suits families with young children. Children can play on the golden sand, while adults can relax by the beachfront.

A car is recommended for exploring the wider area. The property also has a large parking lot. Taxis are available nearby for extra convenience.
