DESCRIPTION

It offers 2 double bedrooms (with fans), and one kids room with two bunk beds. The main bedroom has an en-suite bathroom with a shower and a freestanding bathtub with views to the mountains. The second double bedroom has the bathroom just opposite with a walk-in shower and a window overlooking the mountains. There is a 3rd bathroom outside from the house, also very practical to use as a pool bathroom.

The 200sqm² terrace is partly covered, equipped with a cozy lounge furniture, perfect for great summer nights with family and friends. The wooden kitchen is fully equipped with a large fridge and freezer. Connected to the kitchen there is the living room with big windows offering views to the amazing landscape of Port de Sóller and a chimney for romantic evenings. The pool is equipped with 4 sun lounges and offers as well stunning views to the sea. A laundry room with a washing machine and dryer is also provided. The house has been built and designed by a well-known Mallorquin artist. Purist and state-of-the-art, the spacious villa reflects a bright airy and high-quality atmosphere. The house is not only stylish but also sustainable. The house works with solar system and a water tank with rainwater. The house doesn't offer air condition as due to its location there is a constant fresh breath the all day.
