DESCRIPTION

Villa Padma accommodates eight guests in four bedrooms. All rooms are thoughtfully furnished to facilitate rest and relaxation; each features block out curtains, plush king beds and quality linen. Slat patio doors and full-length glass windows bring the outdoors in.

With Wi-Fi access and a workspace, you'll get to catch up on urgent work matters if required. And last but not least comes the highlight of the bedroom - a generously proportioned en suite complete with twin vanities and a shower alcove or standalone soaking tub.

Villa Padma offers multiple outdoor spaces for sunbathing, dining and relaxation. Enjoy a swim in an infinity pool overlooking the ocean, before drying off upon a sun recliner.

Next to the pool lies a BBQ pavilion equipped with a wet bar, fridge and washroom. It provides the ideal setup for waterfront dining; you'll enjoy uninterrupted sea views and cooling ocean breezes. Upstairs, there's a roof terrace complete with outdoor seating and a sunken sala - just perfect if you're looking to enjoy a round of cocktails at sunset.

Each of the living spaces at Villa Padma enjoy sea views and are lavishly furnished, featuring modern pieces, ornate home accessories and state of the art amenities. Lofty ceilings create a sense of spaciousness within, and the expansive glass windows and bi-folding doors allow ample sunlight to pour in.

The villa's fully equipped open kitchen has all the appliances required for your personal chef to whip up a scrumptious meal (kids menus are available too). The adjoining dining area comfortably accommodates eight, and offers a more casual setting. A wood-panelled dining area complete with vaulted ceilings, ox-bone chandeliers and hand-crafted sculptures offers a more formal dining experience.

Catch up with friends and family in the games room (it comes equipped with a pool table and foosball set), or enjoy a movie marathon in the screening room. The latter features a 120" projector screen and surround sound system.
