### DESCRIPTION

## Luxury Villa with Infinity Pool Recently Renovated

This luxury villa with infinity pool underwent a meticulous six-year renovation between 2016 and 2022. As a result, the property combines modern comfort with elegant design. The villa offers generous indoor and outdoor living spaces, making it ideal for large groups and family gatherings.

### Spacious Living Areas for Relaxation

The villa features a large open living room with multiple seating areas. Therefore, guests can relax together or enjoy quieter corners throughout the space.

One area includes a cosy TV lounge with a large sofa and television. Meanwhile, a second seating area sits next to the fireplace and creates a more formal space for conversation. The room also includes two dining tables, and large doors open directly onto the terrace. As a result, the indoor space connects naturally with the outdoor areas.

### Country-Style Kitchen with Modern Appliances

Next to the living area you will find a fully equipped country-style kitchen. The kitchen includes a gas hob, oven, microwave, toaster, kettle and dishwasher. In addition, there are two American-style refrigerators with freezers and ice dispensers.

The kitchen also provides a juicer, food processor, blender, mixer and two coffee machines. A gas barbecue and plancha are available for outdoor cooking.

A separate utility room adds further convenience. This space includes a washer dryer, ironing board and steam iron.

### Nine Ensuite Bedrooms for Up to 18 Guests

This luxury villa with infinity pool comfortably sleeps up to 18 guests across nine beautifully furnished bedrooms. Each bedroom includes its own ensuite shower room for added privacy.

Two of the bedrooms are independent apartments. Each apartment features its own living and dining area, along with a kitchenette.

In addition, four of the bedrooms can convert into twin rooms if required. Every bedroom also includes a desk, TV and wardrobe. Guests will also find 8950 organic toiletries, including body wash, shampoo and conditioner.
