### DESCRIPTION

Originally a seventeenth-century masseria, this wellness paradise is now an exclusive estate for rent in Puglia with thirteen suites, perfectly blending the traditional charm of the area while offering a lavish experience for discerning guests. The villa's architecture exemplifies the timeless Apulian style, boasting whitewashed walls adorned with intricate stonework, arches, and high-vaulted ceilings. Set amidst sprawling grounds spanning 12 hectares of meticulously manicured gardens, this oasis exudes tranquillity and serenity. The allure of Villa Pemberton extends outdoors, where two magnificent infinity swimming pools, one in front of the main villa and the other for the wellness area, glisten under the Apulian sun. Embrace the panoramic vistas of the surrounding countryside while lounging by the poolsides, creating idyllic moments of leisure and bliss. The villa's private bar set by the stunning main pool complements the dining experience, offering a selection of fine wines and beverages to savour while enjoying the charming setting of the property. In front of the bar, an opulent restaurant is a dream for gourmet lovers to enjoy locally-inspired gourmet cuisine with vegetables picked directly from the estate's garden. The charming alfresco dining area makes Villa Pemberton a dream destination to celebrate special events like weddings and to create once-in-a-lifetime memories with large groups of family and friends.

A weekly stay at Villa Pemberton is nothing short of extraordinary, featuring thirteen double bedrooms, each thoughtfully designed and lavishly appointed with en suite bathrooms. Each one of the eight bedrooms on the ground floor is equipped with a private outdoor hot tub which can be heated up to forty degrees offering a complimentary chromotherapy experience.

The five double bedrooms on the first floor come with stunning views of the Apulian countryside and the wellness area is set two hundred metres from the main villa and connected through a gravel pathway.

The wellness area features a second infinity swimming pool equipped with sunbeds, umbrellas, and outdoor showers. Indoors, for the ultimate relaxation guests will find massage cabins, a private spa with Turkish bath, sauna, and state-of-the-art Technogym equipment. Outdoors, Villa Pemberton features a private padel court provided with rackets and balls at complete disposal for guests who don't want to miss the thrill of an exciting challenge even on vacation.

This exclusive and majestic estate is a dream destination to discover the beauty of Puglia while enjoying the utmost comfort and privacy and celebrating special events in the most memorable way.
