DESCRIPTION

Set on a sprawling two-hectare seafront estate, the villa offers breathtaking views of the Mediterranean Sea, the surrounding countryside, and the nearby isle of Comino. This tranquil sanctuary is the perfect escape from the hustle and bustle of daily life.

The villa's extensive grounds are a haven of Mediterranean beauty, featuring lush gardens filled with olive and fruit trees, colorful native flora, and an array of amenities for outdoor enjoyment. A tennis court, a large swimming pool, and direct access to a semi-private rocky beach make this estate a rare gem. The property's expansive terraces and outdoor spaces are ideal for barbecues, al fresco dining, or simply relaxing while soaking in the stunning coastal scenery.

The interior design of Villa Pepper combines rustic charm with contemporary sophistication. The main villa's open-plan ground floor leads to a paved terrace, perfect for entertaining. The fully equipped kitchen and spacious dining area, with seating for up to 16 guests, make hosting effortless. A large U-shaped living room, complete with air conditioning and underfloor heating, provides an inviting space to unwind, all while offering panoramic sea views.

The main villa houses three beautifully appointed bedroom suites. Across the courtyard, a self-contained building overlooks the swimming pool and includes three additional suites, a cozy sitting room, and a small kitchen. This layout is ideal for accommodating two families or offering guests a private, comfortable space.
