DESCRIPTION

Vibrant colour, dramatic décor and breathtaking views make this an unforgettable Puerto Vallarta villa. This is a very large home – over 20,000 sq ft built into the hillside. It has several large social areas spread over different floors: games room, open-air gym, gardens, media rooms, library and a huge living and dining area around the infinity pool. The entrance is on the 5th floor, and it opens out to a huge pool area. Colour and views abound, there is no mistaking you are in Mexico with bright original artwork, accent walls and all the splendorous natural colour that nature can provide right outside your bedroom window. Wine and dine on the spacious terrace or relax beside the infinity pool... either way, you can enjoy the fabulous views of Puerto Vallarta and Bahia de Banderas.
