Luxury Villa Living

Indoors

The interior of the villa was entirely designed and decorated by interior architects Catherine and Kelly Bedel. Their expertise has resulted in a remarkable layout where every detail is important. You'll be charmed by the lounges (including the one situated in the pool house with its big screen and fireplace), the refined dining room and its terrace, the professional kitchen, and the superb basement lounge-bar.

You can also take advantage of incredible areas dedicated to well-being and leisure: a gym, a hammam, a massage room, a library, a billiard room and a superb cinema room for memorable evenings out with family and friends.

The property's eight suites (measuring around 60m²) offer guests a delightful haven of peace, where comfort and tasteful decor are the watchwords. All have their own bathroom and terrace. Six of them and the children's dormitory are located in the main house. The other two (forming a connecting suite with a private 2000m² garden and swimming pool) are in the guest house.

Outdoors

The property boasts magnificent outdoor spaces.

In addition to its 2 stunning swimming pools* (30x5m and 12x4m), it features a clay tennis court, a petanque strip, a ping pong table and a table football. Children can also enjoy their own area with a charming hut dedicated to them.

In the evenings, enjoy your meals outdoors and the summer kitchen, with its barbecue and traditional pizza oven.
