DESCRIPTION

Luxury Villa in Quinta do Lago with Lake Views and Large Private Gardens

This luxury villa is located in Quinta do Lago on the prestigious Rua Vouga (Monte Golfe). It enjoys a prime position close to The Campus sports complex and a short drive from the beach, Q Hub, and Quinta do Lago Shopping. As a result, the villa combines peaceful garden living with easy access to resort amenities.

Elegant Quinta do Lago Villa with Spacious Gardens and Lake Views

The villa is set within extensive, beautifully maintained gardens, which are notably large and rare for Quinta do Lago. In addition, the property enjoys open views across the lake.

A private driveway provides off-road parking for two cars. Therefore, guests benefit from both convenience and privacy on arrival.

Bright Open-Plan Living with Indoor-Outdoor Flow

The ground floor is designed around a spacious open-plan living and dining area. Therefore, the interior flows naturally into the outdoor terraces and gardens.

The dining and living space comfortably seats 8–10 guests and opens directly onto the terraces. In addition, a guest WC is located off the entrance hallway.

A fully equipped kitchen is positioned slightly separate from the main living space. As a result, it offers a practical and discreet cooking area while maintaining connection to the social spaces.

Five En-Suite Bedrooms Across Two Levels

The villa offers five en-suite bedrooms across the ground and first floors.

On the ground floor, three en-suite bedrooms are located either side of the living area. In

addition, two of these rooms can be configured as twin or double bedrooms, with one enjoying direct garden and pool access.

On the first floor, two additional en-suite double bedrooms are located. Furthermore, the master suite occupies over half of the upper level and enjoys beautiful views across the gardens and lake.

As a result, the layout is ideal for families and groups seeking both privacy and shared living space.

Private Outdoor Living with Pool and Landscaped Gardens

The outdoor areas are designed for relaxation and entertaining.

Quinta do Lago sunshine enhances the expansive terraces, landscaped gardens, and open lake views. In addition, the swimming pool and surrounding spaces provide an ideal setting for outdoor living.

The property will benefit from brand-new outdoor furniture, sun loungers, and parasols for the 2026 season. Furthermore, the swimming pool was re-tiled in late 2025, ensuring a fresh and modern finish.

Therefore, the villa offers a well-maintained and upgraded outdoor environment.
