DESCRIPTION

With a total of 7 exquisitely designed bedrooms, Villa Pirri can comfortably accommodate a large group of guests. In addition, there are two additional flats, one with two double bedrooms and the other with one twin bedroom, providing even more space and privacy for all.

One of the villa's treasures is its heated swimming pool, perfect for relaxing and enjoying Tenerife's warm sunny days. The little ones will have fun in the specially designed games room, while adults can keep fit in the well-equipped gym.

Entertaining moments are assured with a ping pong table and table football, ideal for friendly competitions between friends and family. But if you prefer a cinema experience, the villa's cinema room offers you the opportunity to enjoy your favourite films on the big screen in comfort.

Gastronomy is a highlight at Villa Pirri. The spacious kitchen has the option of a professional chef who will prepare exquisite dishes, or if you prefer, you can use it to create your own culinary delights.

Finally, a spacious living room invites you to relax while you enjoy the television and take in the breathtaking panoramic views of the enchanting island of La Gomera.
