DESCRIPTION

This beautiful, luxurious 8 bedroom villa sits 90 metres above the Aegean Sea on a 1800m2 west-exposed plot, consisting of a 3-story main house with 3 bedrooms, and 2 adjacent buildings featuring a further 5 bedrooms with separate entrances, accommodating up to 23 guests in total (17 adults and 6 children).

From every angle of the villa, you have spectacular views over the Aegean Sea and depending on the weather you can see Siros, Serifos, Sifnos, Paros, Naxos and of course Delos and Rinia.

The wonderful outdoor areas offer many places to socialise, but there are also plenty of little hideaways where guests can relax in private to sunbathe or read a book. Kids will love the wide open space of the garden as well as splashing around in the huge sparkling infinity pool.

Among the many terraces, the pièce de résistance has to be the huge outdoor kitchen area located on the lower garden terrace just below the pool terrace, featuring a fantastic fully equipped kitchen with barbecue, fireplace and large dining area and bar. There is a further smaller outdoor dining area on the upper terrace also with fireplace and superb sea views.
