DESCRIPTION

With its contemporary design, Villa Poppy II is a modern-day palace, drawing you in with its eye-catching exterior that is in perfect harmony with the lush Mediterranean surroundings. The structure features clean, modern lines that complement the vivid backdrop of the Adriatic Sea. Encased in over two hectares of enchanting gardens flourishing with diverse flora and over a hundred olive trees, the villa exudes a tranquil, private atmosphere that's perfect for unwinding and basking in the majesty of nature.

Inside, the villa houses five sumptuous bedrooms, each graced with stylish furnishings and stunning art pieces, resulting in a unique blend of comfort and elegance. The villa's striking interior design showcases artifacts by acclaimed artists, including the abstract painter Vatroslav Kulis, contributing to an exceptional and cultured ambiance. The exquisite interior extends to the gourmet kitchen, outfitted with top-tier amenities and adjoining a spacious, open-plan dining room.

Each bedroom serves as a private haven, offering breathtaking views of the sea or garden. They come complete with luxe bathrooms adorned with Brac stone and state-of-the-art fixtures.
