DESCRIPTION

Outdoors

The villas are built in a contemporary style, using local stone and natural materials so the villas blend harmoniously into the hillside. The large outdoor pool terrace on a slightly lower level, and surrounded by greenery and trees, faces directly out to the sparkling Ionian Sea. Around the private infinity swimming pool are sun loungers and umbrellas, and there are a variety of alfresco areas, for sitting and enjoying the fresh air and the fragrant Mediterranean breeze, and for eating under the moon and stars. There is ample room for all the guests to enjoy the outdoors, and the villa is pet-friendly on request, so your doggie can enjoy it too.

Indoors

The luxury Peloponnese property is separated into 3 villas next to each other and are all interior-decorated in cool neutral tones, with pale wood furniture and designer pieces that create a peaceful, elegant ambiance. Each villa has a bright, airy living space with window-doors onto the outdoor terrace and a fully equipped modern kitchen. The 9 bedrooms have all the luxury amenities you need for the perfect holiday night's sleep, like deluxe mattresses, top-quality bed linen, and air-conditioning. The entire property has been crafted with guests' holiday enjoyment in mind, with attention to detail that makes it the ideal vacation villa for a large group of family and friends.
