DESCRIPTION

This villa is two leveled and has four guest houses. On the ground level are the living spaces (open plan living room and kitchen) and one double bedroom. On the top level is the master suite. The main house also boasts two interconnected guest rooms with an independent access and one double bedroom each. The guest houses all have an independent access and one double bedroom each, one of them also has two built in single beds. All together this luxury villa can host up to fourteen guests in any of its seven bedrooms. The villa is decorated in light tones but in a delicate manner than inspires luxury.

Outdoors the view is stunning, find yourself surrounded by a lush verdurous environment and enjoy the view of the sea while sunbathing by the pool or dining at the outdoor dining room.
