DESCRIPTION

Villa Psihi: Luxury Villa on the Athens Riviera

Villa Psihi is a beautiful luxury villa on the Athens Riviera, set directly on the shoreline. With contemporary interiors, open-plan living spaces and direct access to the sea, it offers a peaceful coastal retreat.

A private pathway leads from the villa down to a sandy public beach. Meanwhile, the terrace provides a wonderful setting for relaxing beside the water.

The villa is designed for effortless days by the sea. Enjoy an early swim in the heated pool, play a game of tennis or padel, or gather for a friendly football match. Later, relax beside the pool before enjoying dinner outdoors as the sun sets over the horizon.

Contemporary Coastal Living at Villa Psihi

Villa Psihi combines contemporary design with a warm and welcoming atmosphere. The interiors feature warm wood tones and open-plan living spaces, creating a calm and comfortable setting.

Large outdoor areas allow the coastal surroundings to take centre stage. During the day, guests can enjoy the sea breeze and the sound of the waves.

As evening arrives, the horizon fades into soft twilight. The villa then becomes an inviting setting for relaxed dinners and time together.

Direct Sea Access on the Athens Riviera

One of the defining features of this luxury villa on the Athens Riviera is its position directly on the shoreline.

A private pathway leads down from the villa to a sandy public beach. This makes it easy to enjoy the sea whenever you wish.

Spend the morning swimming, take a peaceful walk along the shore or simply enjoy the Mediterranean atmosphere from the villa's outdoor spaces.

Villa Psihi features a heated pool, making an early morning swim especially inviting.

Wake up and step onto the terrace before heading straight into the water. As the sun rises over the sea, the pool provides a peaceful start to the day.

Later, the outdoor areas offer plenty of space to relax. Guests can enjoy the sunshine, take a refreshing swim or unwind with a drink beside the water.

Tennis, Padel and Football

For those who enjoy staying active, Villa Psihi offers several sporting facilities.

Challenge friends or family to a match on the tennis or padel court. Alternatively, enjoy a friendly kickabout on the private football field.

These facilities make the villa ideal for groups who want to combine relaxation with plenty of outdoor activities.

Outdoor Living by the Sea

The outdoor spaces are designed for enjoying the Athens Riviera at its best.

As the afternoon sun warms the second pool area, guests can relax beside the water or enjoy drinks on the deck.

Later, gather around the outdoor dining area for dinner. With the sea breeze in the air and the sound of waves nearby, evenings become a memorable part of the stay.
